We use a company called Stay Green 818.858.4616. We find them to be very, very good. They do all the maintenance on all of our trees, medians, empty trash cans on our sidewalks, provide day porters and are an all around easy company to work with.

Good luck.

Hello Consortium colleagues. The Downtown Industrial District BID is going out to bid for maintenance services. I'd greatly appreciate any referrals of companies you'd recommend. Thank you, and have a great weekend.
